Departmental Honors: Check box if your capstone will be used to fulfill Honors in the major. Review the College Catalog and speak with a faculty advisor in your major to discuss this option. Eligible Verrazzano students are strongly encouraged to complete Departmental Honors.

Attach a 1-2 page typed proposal, in your own words, for the work you intend to do to complete your capstone project. Cite sources according to the guidelines in your discipline. Your proposal should include:

- An introduction outlining the objectives of the work and a brief review of literature providing context
- A description of the methods to be used to complete the work, a review of the topics that will be addressed, or the preparation required to complete the project
- A statement about whether your project requires human subjects or IACUC approval and whether you have, or when you will receive, this approval

Initial each line below, then sign to acknowledge the following:

_____ I assert this proposal represents my original written work

_____ I understand successful completion of my capstone project requires approval from my faculty mentor and Verrazzano Honors, and that my mentor must see more than one draft of my capstone before approval.

_____ I understand my final capstone paper must be at least 12 double-spaced pages long, unless I receive approval from Verrazzano. I understand ALL capstone must have some written component.

_____ I understand I must present my project at the Undergraduate Conference on Research, Performance, and Scholarship.
